Fiscal Year 2009 Fire Prevention and Safety Grants

The Department of Homeland Security has posted the FY2009 Fire Prevention and Safety (FP&S) Grants Program Guidance on the Assistance to Firefighters Grants (AFG) Program Website. The application period is scheduled to begin on September 21, 2009 at 8:00 a.m. Eastern Standard Time (EST). Applications for these grants must be received by October 23, 2009, at 5:00 p.m. Eastern Standard Time (EST).

FP&S grants support projects that enhance the safety of the public and firefighters from fire and fire-related hazards. The grants are competitive, and their primary goal is to target high-risk populations. Grant awards are made in order to mitigate high incidences of death and injury and to carry out research for improving firefighter safety. Examples of the types of fire prevention projects that are supported by FP&S include smoke alarm installation, fire prevention and public safety education campaigns, juvenile fire setter interventions, media campaigns, and arson prevention and awareness programs. Organizations that are eligible to apply under the research activity should consult the Program Guidance for detailed information on priorities and areas of emphasis.

An applicant tutorial for the fire prevention activity will be available through the www.firegrantsupport.com Website. The tutorial provides you with valuable grant information and will walk you through the preparation and submittal of competitive applications. In addition, the applicant tutorial will provide an overview of the fire prevention funding priorities and evaluation criteria. Applicants who have questions regarding the Fire Prevention and Safety Grants opportunity should contact the help desk as soon as possible at 1-866-274-0960 or at firegrants@dhs.gov. During the application period, the help desk will operate Monday to Friday, from 8:00 a.m. to 4:30 p.m. (EST), but is prepared to revise hours of operation based on volume, demand, holidays and urgency to complete the FP&S Grants application period and processing for FY09.

The AFG Program is administered by the Department of Homeland Security (DHS) Federal Emergency Management Agency's (FEMA) Grant Programs Directorate in coordination with the U.S. Fire Administration.
