Training Opportunity

SEMA

- Class Title:** MGT385 Community Cyber Security Exercise Planning (DHS Approved) (POST Certified)
- Class Date:** April 12-13, 2017 (Apr 12 – 1:00 pm-5:00 pm; Apr 13 – 8:00 am-5:00 pm)
- Sponsor(s):** Missouri Emergency Management Agency, Texas Engineering Extension Service (TEEX), and the Warren County EMA
- Course Description:** This is a non-technical course designed to introduce cyber to exercise planners to help them recognize the nature and reach of cyber, so they can better help their communities prevent, detect, respond to, and recover from cyber incidents. Participants will recognize how cyber can be incorporated into exercises in a meaningful way.
- Prerequisites:** Completion of AWR136 Essentials of Community Cyber Security (NOTE: The AWR136 is being held in conjunction with the MGT385 and will be presented on Apr 12 from 8:00am-12:00pm). Participants should have an understanding of the Homeland Security Exercise and Evaluation Program (HSEEP) and have familiarity with community and organizational exercises.
- Target Audience:** Emergency Management, Law Enforcement, Private Sector/Corporate Security and Public Safety Professionals, Public Works
- NOTE:** Private Industry/sector personnel are invited to attend at no cost; however any travel expenses are the responsibility of the individual or their agency.
- Location:** Warren County Office of Emergency Management
101 Mockingbird Lane
Warrenton, MO
- Class Limit:** 30 Participants
- Enroll online at:** <http://training.dps.mo.gov/sematraining.nsf/TrainingSchedule?OpenForm>
