# Training Opportunity

**SEMA**

- Class Title:** MGT347 Incident Command System (ICS) Forms Review (DHS Approved)  
(POST Approved)
- Class Date:** July 14, 2016 (8:00 am – 12:30 pm)
- Sponsor(s):** Missouri State Emergency Management Agency, Texas Engineering Extension Service (TEEX), the Cole County Emergency Management Agency, and the Cole County Fire Protection District
- Course Description:** The Incident Command (ICS) Forms Review course provides a detailed introduction to emergency response supervisors and mid- to upper-level managers to the Incident Command System (ICS) forms used in the development of an Incident Action Plan (IAP)/Emergency Operations Center-Action Plan (IAP/EOC-AP). Participants will examine the primary forms used in an IAP/EOC-AP, as well as supporting and other utility forms. In addition, participants will review the planning process and where, within that process, the forms that are filled out and by whom. The workshop includes a practical application designed to instruct participants in the development of Specific, Measurable, Action-oriented, Realistic, and Time-based (SMART) control and management objectives. Recommended prerequisites: completion of the following National Incident Management System (NIMS)/ICS online courses: IS700.a, IS100.b, and IS200.b.
- Target Audience:** Emergency Management, Fire Service, Law Enforcement
