- Class Title:** MGT404 Sports and Special Events Incident Management (DHS Approved) (POST Approved)
- Class Date:** May 3-4, 2016
- Sponsor(s):** Missouri State Emergency Management Agency, Texas Engineering Extension Service (TEEX), Texas A&M University, and Southeast Missouri State University
- Course Description:** This 16-hour course develops athletic department staffs, facility management personnel, campus public safety personnel, emergency response supervisors, and others involved in sports and special event management to better prepare for, manage, and recover from incidents that could occur during a sporting event or other special event. The course provides participants the skills necessary to effectively identify risk and mitigation strategies; manage incidents by applying and implementing incident management planning and resource management principles through a multi-disciplinary management team approach as described in the National Incident Management System (NIMS); and identify techniques that can improve the resiliency of the event venue. The course has specific emphasis on the unique aspects of response to an incident occurring during a sports and special event, including considerations for business continuity and after action activities. The course concludes with a practical application, role-play exercise that is customized to the area in which the course is delivered.
