SEMA

- Class Title:** MGT414 Advanced Critical Infrastructure Protection
(DHS Approved) (POST Approved)
- Class Date:** May 18, 2016
- Sponsor(s):** MO State Emergency Management Agency, Cole County Fire Protection District, and TEEX
- Course Description:** The purpose of this management level course is to extend the knowledge, skills, and abilities developed in the awareness level course (AWR-213) and to formulate considerations for the resilience of jurisdictional assets leveraging cross-sector partnerships. These considerations as part of a resilience action plan will enhance the whole community's ability to manage the risk associated with critical infrastructure protection efforts.
- Target Audience:** This management level course is intended for critical infrastructure owners/operators and managers, State and Local Government senior officials and managers.
- Prerequisites:** It is recommended but not required that students take AWR213 Critical Infrastructure Key Resources Awareness class prior to this course. The AWR213 is scheduled for April 6, 2016 in Jefferson City at the location below.
- Location:** Cole County Fire Protection District Training Room
5206 Monticello Road
Jefferson City, MO 65101
- Class Limit:** 40 Participants
- Class Time:** 8:15 a.m. - 5:00 p.m.
- Private Sector:** Private sector personnel are welcome to attend the training at no cost. However, any travel costs incurred will be the responsibility of the individual or their organization.
- Enroll online at:** <http://training.dps.mo.gov>
- Or send completed application to:** Jack Raetz, Training Officer
P.O. Box 116
Jefferson City, MO 65102
Phone: (573) 526-9016 Fax: (573) 526-9262
- If you need assistance or special accommodations for this training, please contact Jack Raetz at (573) 526-9016, jack.raetz@sema.dps.mo.gov prior to the training date.**
