

***2-1-1 Partners, we'd love to have you or someone from your agency come along with us...please see below!***

***United Way 2-1-1 cordially invites you to canvass the Missouri State Capitol with us.*** United Way 2-1-1 will host its first 2-1-1 Day at the State Capitol on Monday, February 11, 2013, in Jefferson City, Missouri. In celebration of National 2-1-1 Day, we will join with statewide partners to create opportunities for our voices to be heard by state policy makers and spread the word about the value of having 2-1-1 services in our communities and its ability to connect thousands of people each year to agencies such as yours. United Way 2-1-1 is inviting your agency to show the programmatic diversity of our partners. As a valued agency partner, your organization has been selected to participate because of your essential insights regarding met and unmet needs for individuals in your respective communities and for your continued partnership with United Way 2-1-1.

In 2006, 2-1-1 was launched in the state of Missouri and further expanded in 2007, providing 100% coverage for approximately 6 million Missourians. Since our inception, 2-1-1 has connected over half-a-million individuals to needed resources in the state of Missouri. Our work during times of disaster has also received local, state and national recognition; yet we know that we still have a great opportunity to ensure that each and every Missourian knows that we are here to connect them to valuable resources in their communities such as the ones that each of you represent.

The Day at the Capitol will begin at 8:40 a.m. with an orientation where we will review canvassing assignments and useful information to help guide your discussions. Throughout the day, you will have meetings scheduled with elected officials serving your area, as well as opportunities to meet with other legislators. Activities will conclude by 3:30 p.m. Lunch will be provided for your convenience. In addition, a chartered bus from St. Louis will be made available for registered participants who can meet in a central location to travel with us, if enough participants confirm.
