Training Opportunity

SEMA

- Class Title:** MGT348 Medical Preparedness and Response for Bombing Incidents (MPRBI) (DHS Approved) (POST Approved)
- Class Date:** September 27-28, 2017
- Sponsor(s):** Missouri State Emergency Management Agency, Texas A&M Texas Engineering Extension Service (TEEX), St Louis Regional Radiological Response Medical Reserve Corps , and the Eureka Fire Protection District
- Course Description:** This co-sponsored course, developed and delivered by the TEEEX and the New Mexico Institute of Mining and Technology's Energetic Materials Research and Testing Center (NMT/EMRTC), provides a strong emphasis in developing a multi-discipline approach to respond for bombing incidents. Essential first responder/first receiver personnel who would be involved in the medical response to an explosive incident will be introduced to real world event case studies and research-based information designed to enhance medical preparedness for and response to blast effects. This dual audience/ dual level course includes a Management and Planning level section focused on pre-incident indications of bombing incidents, bombing incident scene safety and security, and resource management for bombing incidents and a Performance level section focused on bombing incident injury patterns and treatment, managing the medical response for bombing incidents, and the planning, training, and exercise cycle for bombing incidents.
- Target Audience:** EMS, Fire Service, Governmental Administrative, Law Enforcement, Health Care, Public Health, Public Safety Communications
- Location:** Eureka Fire Protection District Training Room
18765 Old Hwy 66
Pacific, MO 63069
- Class Limit:** 40 Participants
- Class Time:** 8:00 am– 5:00 pm
