- Class Title:** MGT346 EOC Emergency Operations for All-Hazard Events (DHS Approved) (POST Approved)
- Class Date:** September 20-22, 2016
- Sponsor(s):** Missouri State Emergency Management Agency, Texas Engineering Extension Service (TEEX), and the Chillicothe Fire Department
- Course Description:** This course provides personnel who could be assigned to or work in an Emergency Operations Center (EOC) the skills necessary to effectively plan for and manage a large-scale incident by applying and implementing an all-hazards, multi-disciplinary, management team approach. The course places specific emphasis on the planning, resource, and information management processes. The course focuses on the key decision-making requirements within the Emergency Operations Center. The jurisdictional team will learn from the effects of incident decisions while working in an EOC using a simulated, notional jurisdiction as they respond to the final days exercise. The instructional team consists of coaches and mentors experienced in emergency management and incident response. The course uses a multi-discipline, jurisdictional approach to accomplish the course objectives. The course adapts existing incident management systems, best practices and procedures to the unique requirements of responding to all-hazards incidents. Recommended Prerequisites: Participants should have an intermediate level of understanding of the Incident Command System (ICS) and some experience in incident management. Completion of IS-701a, NIMS Multiagency Coordination System (MACS) course and the IS775, EOC Management and Operations Course is recommended. Basic ICS information can be gained via completion of the Federal Emergency Management Agency (FEMA) online courses IS100, IS200, IS700, and IS800.
