5th Annual Health Ethics Conference 2009

Health Care Access and Allocation of Resources

October 8-10, 2009

**The Reynolds Alumni Center and Hilton Garden Inn
Columbia, Missouri**

This program is relevant to all health care providers, health administrators, lawmakers, and members of the community.

This conference will examine the ethical imperative of ensuring equitable access to health care. Learning sessions will examine those affected by poor access, policy issues, barriers, and potential solutions to reforms that will ensure an adequate level of health care for everyone. The ethical concerns of altered standards of care during pandemic will also be examined as a unique circumstance that will limit access for many to otherwise standard and expected forms of treatment.

**Register by September 11, 2009 to receive special registration rates.
