Class Title: AWR 232 Mass Fatalities Planning and Response for Rural Communities (DHS Approved) (POST Approved)

Class Date: August 4, 2015

Sponsor(s): Missouri State Emergency Management Agency, the Northwest Arkansas Community College (a member of the Rural Domestic Preparedness Consortium), and the City of Chillicothe Fire Dept.

Course Description: This 8-hour awareness-level, instructor-led course is designed to prepare rural first responders and officials with the basic knowledge, skills and abilities to manage a mass fatality incident impacting their jurisdiction. Target audience includes first responders, coroners/medical examiners, public health officials, and others with responsibilities during a mass fatality incident. Issues addressed include establishing roles and responsibilities, assets management, remains processing and identification, diversity issues and development of a mass fatality plan that affect the construct of a mass fatality response. Prerequisites: It is recommended that attendees complete the following online courses prior to attending this class: IS100 – Introduction to the Incident Command System (ICS); IS700 – National Incident Management System (NIMS), An Introduction; IS800 – National Response Framework (NRF), An Introduction. These courses can be found and completed at http://training.fema.gov/IS/.

Target Audience: Law Enforcement, Public Health, EMA, EMS, Coroners/Medical Examiners, Hospitals

Location: Chillicothe Fire Dept. Training Room 700 2nd St Chillicothe, MO 64601

Class Limit: 40 Participants

Class Time: 8:00 am – 5:00 pm
