

# Training Opportunity

- Class Title:** PER213 Wide Area Search (DHS Approved) (POST Approved)
- Class Date:** June 21-23, 2016
- Sponsor(s):** Missouri State Emergency Management Agency, Texas Engineering Extension Service (TEEX) of Texas A&M, Cameron Police Department, Clinton County Office of Emergency Management
- Course Description:** The Wide Area Search course is designed to provide training for search responders, coordinators, and planners to effectively conduct wide area searches due to disasters either natural or man-made, including acts of terrorism. Participants will learn practical search methods and skills in order to perform systematic searches over a large affected area. The curriculum is based on lessons learned from search operations in support of the Space Shuttle Columbia recovery, Hurricanes Katrina, Rita, Dolly and Ike.
- Target Audience:** Emergency Management Agency, Emergency Medical Services, Fire Service, HAZMAT, Law Enforcement, Volunteer Responders, and Organizations with search responsibilities
- Location:** Cameron Public Safety Building  
101 W. 2<sup>nd</sup> St  
Cameron, MO 64429
- Class Limit:** 35 Participants
- Enroll online at:** <http://training.dps.mo.gov>

**Or send completed application to:** Jack Raetz, Training Officer  
PO Box 116  
Jefferson City, MO 65102  
Phone: (573) 526-9016 Fax: (573) 526-9262

**If you need assistance or special accommodations for this training, please contact Jack Raetz at (573) 526-9016 [jack.raetz@sema.dps.mo.gov](mailto:jack.raetz@sema.dps.mo.gov) prior to the training date.**
