Class Title: G271 Hazardous Weather and Flooding Preparedness (APS Elective)

Class Date: March 4-5, 2015

Course Description: The National Weather Service (NWS) and FEMA developed this 2 day course. It is intended to help promote more proactive responses to weather and flood hazards through close coordination between emergency management and NWS. Course content includes how to understand basic weather elements, where to obtain weather information, how to use the information and how to determine emergency management actions.

Target Audience: Local and State government emergency managers, who respond to hazardous weather events.

Location: Jefferson City Police Department
401 Monroe
Jefferson City, MO 65101

Enrollment Deadline: February 24, 2015

Class Limit: 30 Participants

Class Time: 8:00 am – 4:30 pm
